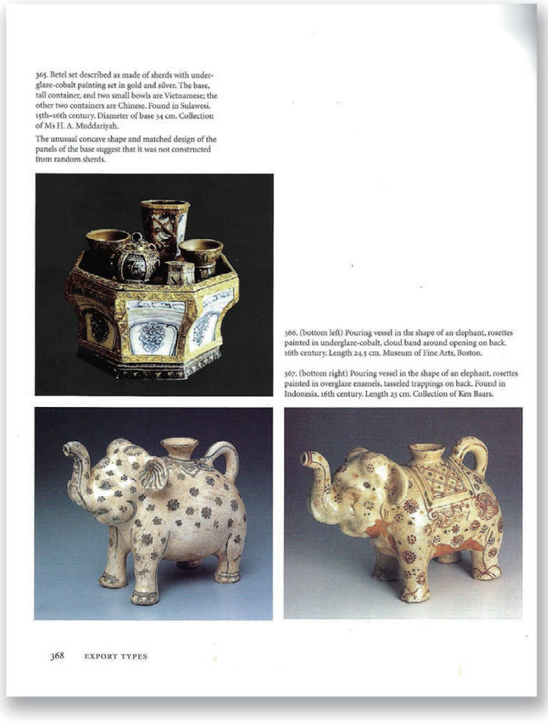
Provenance:
- A Belgian private collection.
- Ex-collection of Ken Baars, The Netherlands (see added scan).



365. Betel set described as made of sherds with underglaze-cobalt painting set in gold and silver. The base, tall container, and two small bowls are Vietnamese; the other two containers are Chinese. Found in Sulawesi. 15th–16th century. Diameter of base 34 cm. Collection of Ms H. A. Muddarisyah.

The unusual concave shape and matched design of the panels of the base suggest that it was not constructed from random sherds.

366. (bottom left) Pouring vessel in the shape of an elephant, rosettes painted in underglaze-cobalt, cloud band around opening on back. 16th century. Length 24.5 cm. Museum of Fine Arts, Boston.

367. (bottom right) Pouring vessel in the shape of an elephant, rosettes painted in overglaze enamels, tasseled trappings on back. Found in Indonesia. 16th century. Length 23 cm. Collection of Ken Baars.

LOT 548: This fetish from a Belgian private collection, was originally given as a gift to a Belgian colonial officer named Rodolphe by a Congolese tribe. He brought it back to Belgium in 1928, and it has remained in his family's possession ever since.
These photographs were taken during Rodolphe's time in Africa. The handwritten notes on the back of the photos, dated between 1927 and 1928, offer personal insights and captions—likely recorded while he was stationed in the Congo or Central African region. Most of the images depict scenes from daily military life, including soldiers, local residents, buildings, and various activities.

VERKOOPSVOORWAARDEN

01. De veiling wordt georganiseerd door:

Rob Michiels Auctions
RM-Auctions bv
Zetel: Genthof 9, 8000 Brugge, België

BTW: BE 1003.040.178

Telefoon: +32 (0) 50 343603
E-mail: info@rm-auctions.com

02. De veiling geschiedt per opbod volgens de in België gebruikelijke voorwaarden.

03. Alle verkopen zijn finaal en onherroepelijk. Men kan zich op geen enkele manier aan de aangegane overeenkomst onttrekken.

04. De betaling wordt verwacht uiterlijk de vijfde werkdag na de laatste veilingdag. Op facturen die niet binnen de 30 kalenderdagen na veilingdatum voor de volle 100% worden voldaan, worden de volgende nalatigheidsinteresten en kosten berekend:

Op dag 31: Administratieve kost van 25 Euro per lot plus 1,5% van het totale factuurbedrag.
Per 14 kalenderdagen hierna volgend wordt een bijkomende nalatigheidsinterest berekend van 1,5% van het totale factuurbedrag.
Deze nalatigheidsinteresten dekken geen opslagkosten. Deze worden apart berekend, de uitleg vindt u verder in dit document.

05. Ingevolge artikel 10 van de anti-witwaswet mogen bedragen vanaf € 3.000 niet contant betaald worden.

06. Het bieden verloopt volgens de volgende stappen:

0-100 Euro: + 10 Euro
100-1000 Euro: + 50 Euro
1000-2000 Euro: + 100 Euro
2000-5000 Euro: + 200 Euro
20000-50000 Euro: + 2000 Euro
50000-100000 Euro: + 5000 Euro
+ 100000 Euro: + 10000 Euro

Afwijkingen hierop zijn enkel mogelijk na beslissing door de veilingmeester. Hiertegen is geen beroep mogelijk. Indien een schriftelijk bod deze voorwaarden negeert, wordt het afgerond naar het dichtstbijzijnde exacte bodbedrag, naar boven af te ronden. Dwz. dat een bod van 1240 Euro naar 1200 wordt herleid, en een bod van 1250 Euro naar 1300 wordt herleid.

07. De veilingkosten bedragen 30%. Dit betekent dat de te betalen som per lot de hamerprijs bedraagt, verhoogd met 30% van de hamerprijs.

Externe partners die biedingen op onze site faciliteren, rekenen hiervoor in sommige gevallen een toeslag aan in de vorm van een percentage op de hamerprijs. Bij dergelijke biedingen worden de veilingkosten vermeerderd met deze toeslag. Deze is variabel per partner en kan door deze partner eenzijdig worden verhoogd. Betalingen voor aankopen via deze partners worden slechts als compleet gezien wanneer zowel de hamerprijs, onze commissie als de commissie door de externe partner zijn betaald.

08. De goederen worden verkocht in de staat waarin ze zich bevinden op het ogenblik van de toeslag.

09. Alle inlichtingen, hetzij schriftelijk, hetzij digitaal, hetzij mondeling door ons verstrekt, zijn louter informatief en niet bindend. Ze zijn enkel een opinie en worden naar beste weten en geweten verstrekt. Van de koper wordt verondersteld dat hij zich gedurende de tentoonstellingsdagen persoonlijk vergewist van de staat, de aard, de datering, kortom de algehele toestand van de goederen. Op verzoek worden alle faciliteiten tot nadere expertise verstrekt. Derhalve zal na de toeslag geen enkele klacht aanvaard worden in verband met staat, aard, omschrijving in de catalogus, datering enz., noch zal de koper zich kunnen beroepen op zijn vertrouwensrelatie met het veilinghuis.

10. Wanneer een geïnteresseerde een te veilen goed beschadigt, dient hij dit kenbaar te maken. Hiervan afzien kan aanleiding geven tot juridische vervolging. Indien de veilingmeester het nodig acht, zal van de persoon een schadevergoeding geëist worden ten belope van de hoge schatting, vermeerderd met 30%.

11. Na de toeslag is iedereen verantwoordelijk voor zijn eigen goed. Tijdens de veiling worden geen goederen aan kopers uitgereikt. Op de dag van de veiling zelf is dit ook niet steeds mogelijk.

12. Elke koper dient zich correct te identificeren. Een biednummer kan verkregen worden tijdens de kijkdagen en voor de veiling. Tijdens de veiling kan men zich wenden tot het secretariaat. We raden u echter sterk aan u tijdig van een kopersnummer te voorzien om vertraging tijdens de veiling te vermijden. De identificatie houdt in, maar is niet noodzakelijk beperkt tot, de bewaring van een kopie van het identiteitsbewijs en persoonlijke gegevens. We springen hier discreet mee om en geven deze gegevens niet door aan derden. Ze kunnen op uw aanvraag ingekeken en aangepast worden, alsook uit onze database verwijderd.

13. Men wordt verondersteld te kopen voor eigen rekening. Bij niet-betaling van de hem/haar toegewezen goederen kan men zich niet beroepen op een opdrachtgever. Het uitbrengen van een bod is bindend.

14. Bij betwisting, tijdens de veiling, van welke aard dan ook is alleen de werkende gerechtsdeurwaarder / notaris bevoegd de geschillen terstond te beslechten en dit in laatste instantie en zonder verhaal.

15. Voor originele kunst, waarvan de auteur hetzij een levende kunstenaar is (uit de E.U.) hetzij gedurende 70 jaar na het jaar van zijn/haar overlijden, is een volgrecht verschuldigd op de hamerprijs vanaf € 2.000.

4% van het deel van de verkoopprijs vanaf € 2000 tot en met € 50000
3% van het deel van de verkoopprijs vanaf € 50000,01 tot en met € 200000
1% van het deel van de verkoopprijs vanaf € 200000,01 tot en met € 350000
0.5% van het deel van de verkoopprijs vanaf € 350.000,01 tot en met € 500000
0.25% van het deel van de verkoopprijs boven € 500000

Het maximumbedrag van het recht mag evenwel niet hoger liggen dan € 12500.
Ook indien dit bedrag niet wordt geïnd bij het uitreiken van de factuur, kan de klant gedurende 5 jaar hierop volgend nog steeds verplicht worden dit bedrag te betalen om zich in regel te stellen met het volgrecht. Alle informatie over het volgrecht in België vindt u op www.resaleright.be

16. Afhaling der goederen kan in de veilingzaal op de in de zaal en op de website aangegeven ophaalmomenten. Deze worden bovendien ook aangegeven in de catalogus en kunnen eveneens opgevraagd worden. Goederen die niet afgehaald worden binnen de 14 kalenderdagen na de veilingdatum, zijn onderhevig aan een opslagkost van 1,50 Euro per object per dag, ook al is de betaling voldaan. Hieraan kan niet worden verzaakt, tenzij de koper contact met ons opneemt om een exacte datum voor ophaling overeen te komen, binnen een door ons als redelijk geachte termijn, en wij uitdrukkelijk verklaren akkoord te gaan met het kwijtschelden van de opslagkost. Goederen worden vrijgegeven zodra de betaling ervan effectief is, hetzij contant, hetzij per kaart, hetzij na inning op onze rekening.
Wij aanvaarden de volgende betalingsmethodes:

Contant (voor bedragen tot €3.000)

Per overschrijving (kosten voor overschrijving zijn ten laste van de koper) op rkn.:

IBAN: BE33 7370 7443 8146
BIC: KREDBEBB
Begunstigde: RM-Auctions
Adres begunstigde: Genthof 9, 8000 Brugge, België
Bank: KBC Bank NV
Address bank: Zilverstraat 34, 8000 Brugge, België

Per betaalkaart in de zaal, in aanwezigheid van de kaarthouder.
Per betaalkaart online op onze betalingspagina. Betalingen met kredietkaarten die buiten de EU zijn uitgegeven, zijn onderhavig aan een commissie van 3% op het te betalen bedrag.

Bieders die gebruikmaken van een derde partij voor het doorgeven van hun biedingen, kunnen na de veiling ook via dit platform betalen. Sommige platforms staan het veilinghuis toe de te debiteren bedragen rechtstreeks van de geregistreerde betaalmethodes af te houden. Indien dit het geval is, kan dit gebeuren na de veiling.

17. Voor het inpakken en verzenden van uw goederen kunnen wij u doorverwijzen naar externe partners. Een volledige lijst van externe transportbedrijven is beschikbaar op onze website. Waar mogelijk, worden afmetingen en gewichten vermeld.

18. Zowel Belgische als buitenlandse bieders kunnen bieden via de telefoon, online of door middel van een schriftelijk bod. Wij kunnen niet garanderen dat de verbinding per telefoon of online biedmogelijkheid steeds perfect is en raden daarom aan om ook een schriftelijk bod te laten noteren, zodat u in geval van mistoestanden hiervan geen nadeel ondervindt. Ook kunt u vrijblijvend een telefoonlijn boeken terwijl u toch online biedt, teneinde geen risico te nemen niet te kunnen bieden. Buitenlandse kopers dienen uiterlijk 24 uur voor de veiling hun volledige identiteit aan ons kenbaar te maken. Indien nodig wordt een bankgarantie via een in België erkende bankinstelling of een te betalen waarborg gevraagd, hiervoor wordt u gecontacteerd. Het bedrag van de garantie of waarborg wordt in overleg met de veilinghouder bepaald. De bankgarantie of de betaalde waarborg geldt als onderpand bij rouwkoop. De garantie wordt terugbetaald indien geen loten zijn toegewezen aan de desbetreffede bieder. De veilinghouder kan niet verantwoordelijk gesteld worden voor eventuele slechte internet- en of telefoonverbindingen en alle gevolgen daaruit voortvloeiend en, evenmin voor de onbereikbaarheid van de kopers via door hen opgegeven telefoonnummer(s).

19. Handelaars zijn verplicht zich als dusdanig bekend te maken en hun coördinaten op te geven bij ontvangst van het kopersnummer.

20. Bij rouwkoop zal het goed in een latere veiling opnieuw aangeboden worden. De rouwkoper zal in geval van een minopbrengst, naar Belgisch recht, aansprakelijk zijn voor het verschil in min + alle kosten voortvloeiend uit de rouwkoop. Behaalt het goed een hoger bedrag dan de oorspronkelijke toeslagprijs dan zal hij/zij geen rechten kunnen doen gelden op het positieve verschil. Door zijn/haar bod aanvaardt de koper/koopster zonder voorbehoud de hierboven vermelde verkoopsvoorwaarden.

21. Elke koper wordt geacht de douane-regelingen voor zijn of haar land te kennen en te respecteren. Het veilinghuis kan niet verantwoordelijk worden gehouden voor eventuele exportproblemen.

22. Elke koper en verkoper wordt geacht op de hoogte te zijn van de actuele reguleringen met betrekking tot de verkoop en/of tentoonstelling van goederen die onder de CITES-regulering vallen. Dit kan het geval zijn voor, maar is niet beperkt tot, ivoor, neushoorn hoorn, been, dierlijk materiaal, taxidermie, mineralen, maar ook kunstvoorwerpen die deels uit een dergelijk materiaal bestaan. Het veilinghuis wijst elke verantwoordelijkheid met betrekking tot eventuele inbeslagname, vernietiging of sanctie af, de verantwoordelijkheid hiervoor ligt voor de volle 100% bij de inbrenger-verkoper of bieder-koper.

23. Door het betreden van de veilingzaal en/of een schriftelijk bod, telefonisch bod of online bod zowel bij ons als bij een van onze partners uit te voeren gaat u akkoord met deze voorwaarden.

24. Het veilinghuis behoudt zich het recht voor bieders te weigeren of enkel toe te staan mits het betalen van een borg. De betaalde borg wordt integraal afgetrokken van de uiteindelijke factuur, of kosteloos teruggestort op de eerste werkdag na de veiling.

25. Terugvordering van BTW is niet mogelijk.

26. Alle kopers en verkopers worden geacht kennis te hebben genomen van deze voorwaarden.

27. In alle geschillen van welke aard dan ook geldt alleen het Belgisch recht en is enkel de Rechtbank van Brugge bevoegd.

SALES TERMS

01. The sale is conducted by:

Rob Michiels Auctions

RM-Auctions bv
Address: Genthof 9, 8000 Bruges, Belgium
VAT: BE 1003.040.178

Tel.: +32(0)50 343603
E-mail: info@rm-auctions.com

02. Sales are conducted by auction according to the Belgian law.

03. All sales are final and irrevocable. Cancellations and/or refunds are impossible.

04. Payments for lots purchased are expected within 5 working days after the last day of auction. Invoices remaining unpaid or only partly paid, 30 calendar days after the auction, will be subject to the following late payment interest fees:

On day 31: Administrative fee of 25 Euro per lot and a late payment fee of 1.5% of the total invoice amount.
Per additional 14 calendar days: an additional late payment fee of 1.5% of the total invoice amount.
These fees do not cover storage fees, which are explained further in this document.

05. According to Belgian anti-money laundering laws, amounts from €3.000 can only be paid by bank transfer or card payment.

06. Bidding increments are:

0-100 Euro: + 10 Euro
100-1000 Euro: + 50 Euro
1000-2000 Euro: + 100 Euro
2000-5000 Euro: + 200 Euro
20000-50000 Euro: + 2000 Euro
50000-100000 Euro: + 5000 Euro
+ 100000 Euro: + 10000 Euro

Alteration of the bidding increments are possible at the auctioneer's discretion. Commission bids or absentee bids which don't comply with these increments will be rounded up or down to the nearest bid amount following these increments. This means that, for example, a bid of 1240 Euro will be rounded down to 1200 Euro and a bid of 1250 Euro will be rounded up tot 1300 Euro.

07. Sales commission is 30%, all taxes included. This means that the final price to be paid will be the hammer price plus 30% of the hammer price.

External partners allowing their clients to bid with us, may charge a fee for this, which will then be added to our sales commission. These fees vary per partner and are subject to change at the partner's discretion. We have no influence on this and payments not including this fee will be seen as incomplete.

08. Goods are sold "as is" at the moment of adjudication.

09. All statements made by the auctioneer, be it in writing, digitally or orally, are not to be relied on as statements of fact. They are only an opinion, given to the best of our knowledge and are for guidance only. The buyer is due to verify the condition of the goods by personal inspection. On request every opportunity will be provided to conduct additional expertise as long as the goods are not damaged. As a result, after the adjudication no complaint will be accepted.

10. Anyone damaging goods during viewing days or at any other moment, is obliged to inform us. Failure to do so may result in legal action. Should the auctioneer deem compensation necessary, the amount will be set at the high estimate multiplied by 1.3.

11. After adjudication the buyer is responsible for his/her purchases. The auctioneer will guard and store the items(s) to the best of his ability but can not be held liable for any damage occurred after adjudication. During the auction goods can not be collected.

12. Every buyer needs to provide identification. A bidding number can be acquired during the viewing days and before the auction. During the auction this is also possible through the front desk. However, we strongly advise acquisition of said number before the auction to allow a smooth auction process. Identification measures include but are not necessarily limited to: requesting a copy of your passport or identity document, a transcription of your personal contact details. Your personal details will not be shared with third parties, can be consulted at your request and may be removed from our database on simple request.

13. Each person is assumed to bid on his own account. Bids are binding contracts. In default of payment, liability to another person will not be accepted.

14. Any dispute occurring during the auction can only be resolved by the acting bailiff/notary. His or her decision is definite and irrevocable. He may decide to recall any lot, cancel any adjudication, during or even after the sale, for whichever reason. His word is final.

15. The international rules on copyright law (droit de suite) oblige us to require an extra premium on the hammer price of original works of art made by still living artists, or within seventy years after his or her decease. The premium is required only on hammer prices from €2.000. The amounts required are:

4% on the total sum up to € 50.000
3% on the amount from € 50000,01 up to € 200000
1% on the amount from € 200000,01 up to € 350000
0.5% on the amount from € 350.000,01 up to € 500000
0.25% on the amount from € 500000

The maximum amount of the right should not exceed € 12500.
Even in the unlikely event where this resale right was not charged to the buyer, he will still be obliged to pay this premium up to 5 years after the sale.
All info on Resale rights in Belgium can be found on www.resaleright.be

16. Collection of purchases is only possible after the auctioneer has received full payment. Collection dates will be announced individually per auction and are also available on request. It is the buyer's duty to inquire about collection options. Goods not collected within 14 calendar days, counted from and including the first day after the sale day on which the item was sold, will be subject to a storage fee of 1,5 Euro per item per day, even if the payment is completed in full, unless other arrangements have been made to our satisfaction.

We accept payments by means of: Cash (under €3.000)

Bank transfer of the full amount, indicating the invoice number in the commentary section. Any and all fees should be handled by the sender, on this bank account:

17. We do not offer in-house shipping as we work together with 3rd party shippers. Weights and sizes will be made available where necessary.

18. Both foreign and national buyers who can't be present during the auction, can bid by telephone or bid live online on our website or through one of our third party partners. As we can not guarantee the proper functioning of available communication channels, we strongly suggest to also send in a back-up absentee bid, or book a telephone line and arrange for online bidding simultaneously.

Foreign buyers will need to identify themselves in full at least 24 hours before the auction. If necessary, a bank guarantee or deposit will be requested which will serve as a guarantee in case of non-payment. Failure to provide requested bank guarantees or deposits may result in the non-acceptance of any bids.

The auctioneer can not be held responsible in case of disfunctioning of the available communication channels and any consequences related to this, nor from unavailability on the bidders' side.

19. Professionals are required to identify themselves as such and disclose their business details when bidding or requesting a bid number.

The non-paying bidder will be obliged to reimburse the difference in case of a lower hammer price, according to Belgian law. He will not have any claims over the possible difference above the original hammer price. He will also need to cover all costs related to the re-offering.
